## Benefits

Obey hands-free laws with built-in Bluetooth

Screen size = 7" (16:9)

- Make phone calls, navigate with Google Maps, listen to music and send/receive SMS messages, all via a large touch-screen on your dashboard
- Features dual camera inputs, allowing you to connect two optional reverse cameras or just the one reverse camera, plus another camera at the front of your vehicle
- Make your way around Australia using voice guidance, navigation highlight important landmarks in 3D, and Points of Interest
- Say goodbye to signal interference when listening to your favourite talkback or music radio station with crystal clear reception, as well as more choice of stations (DAB antenna included)
- Stay safe and obey local hands-free laws with built-in Bluetooth (HFP)
- Easily pair a Bluetooth enabled phone to the Pioneer AV Tuner without having to go through complicated settings
