

# SAFE BRAKING AT YOUR FINGERTIPS

Electronic Brake Controller

# TOW-PRO ELITE ELECTRONIC BRAKE CONTROLLER

A simple to operate electric trailer brake controller designed to suit most common trailer braking applications.

## **Smoother braking.**

Incorporates a number of new features that will result in smoother braking for motorists towing heavy trailers and caravans.

## **Safe and compliant.**

The unit is ADR compliant when professionally installed as directed.

## **Automatic or user control.**

The only brake controller to offer two types of braking; automatic mode for highways and user-controlled mode for off-road.
