PERFORMANCE

SAFER VIEWING  
DAY & NIGHT

## II R-SERIES DIGITAL MIRROR

A discreet rear-facing camera delivers a high-quality live feed to your mirror display, ensuring a clear, unobstructed view out the rear window.

### VIVID 9.66" DISPLAY

The large, high-resolution touchscreen adjusts to lighting conditions for optimal visibility, whether in bright sunlight or at night.

### PROFESSIONAL INSTALLATION

Fitted by a trained professional technician, ensuring a perfect setup for maximum performance and safety.

### TOUCHSCREEN CONTROL

Quickly access settings and features with a user-friendly interface, making operation simple and intuitive while driving.

### ELIMINATE BLIND SPOTS

With a 160° ultra-wide field of view, this camera captures more of your surroundings, covering those hard-to-see areas for safer lane changes and manoeuvres.

### CRYSTAL-CLEAR NIGHT VISION

The Wide Dynamic Range (WDR) camera enhances low-light performance, so you get sharper, more detailed footage day or night, even in low-light conditions.

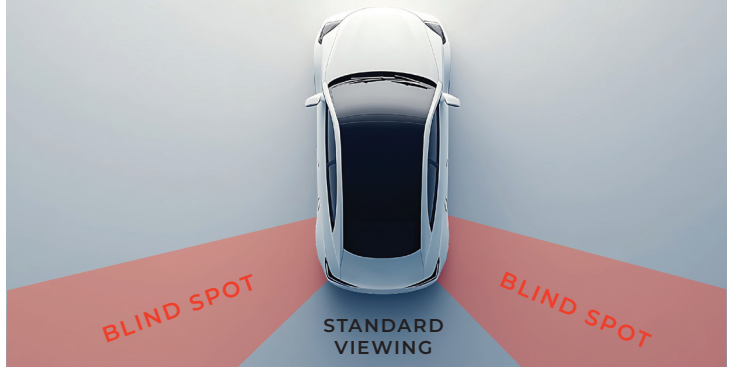

### 3 YEAR WARRANTY\*

Backed by a nationwide warranty, so you can trust in long-term reliability and performance.

### WITH ROADVIEW

### WITHOUT ROADVIEW
