## || STEALTH DASH CAM

4K brilliance meets the latest SONY Starvis image sensors to capture even the finest details with exceptional clarity.

### 4K ULTRA HD RESOLUTION

Ultra HD front camera recording for sharp quality supported by a 2K rear camera so you never miss a thing.

### HDR & AUTO NIGHT VISION

Enhanced low-light performance, for sharper, more detailed footage day or night, even in low-light conditions.

### SONY STARVIS SENSORS

With the latest Sony Starvis 2 Image Sensors, quality is at it's best helping to enhance clarity.

### SEAMLESS PLAYBACK

Easily download, view and share footage through the RV Connect App or 128GB SD card.

### SMART POWER MONITORING

Heat control and auto power-saving helps reduce high temperatures whilst maximising recording time.

### PRECISION VIEWING

Featuring a 146° front angle and 135° rear field of view, ensures maximum recording coverage.

### TIME LAPSE MODE

Condenses hours of recording into short clips at frame rates of 2, 3, 5 fps, saving storage and power.

### PARKING MODE

If motion is detected near the vehicle when parked, the camera automatically starts recording.

### 5 YEAR WARRANTY

The dash camera is professionally installed and includes a 3-year warranty.\*

Sony Starvis 2 sensor for sharper detail.

Without Sony Starvis 2 footage is blurred.

\*Warranty terms, conditions and exclusions apply. This product is designed to assist with visibility but does not replace safe driving practices. Always drive with care.
